

NEVAS

INTERPRETERS

“NEVAS interpreters are conversant in specialist terminology from a wide range of public services”

NEVAS Interpreters

NEVAS interpreters are able to offer an accurate and high quality translation, transcribing and interpreting service.

Our fully vetted interpreters are some of the most qualified in the language service industry and offer an unparalleled confidential and impartial service.

NEVAS interpreters are conversant in specialist terminology from a wide range of public services, including but not limited to; medical/pharmaceutical, legal (commercial and criminal), finance (credit risk, investment banking and asset management) and technical and engineering.

We offer the following services for our clients:

- Translation
- Proof reading
- Interpreting
- Transcription
- Desktop publishing and multi media needs
- Conference interpreting and Translation
- Video conference interpreting
- Project Co-ordination
- Cultural awareness training

NEVAS Interpreters have experience working within the corporate, criminal justice, media and MOD (cultural awareness training) fields, together with delivering a service in hostile environments and other high profile roles.
